In 2006 **Rye Randa** and **Jeff Foxworth** joined forces to form the dynamic producing-songwriting-composing team known as **The Ontic**.

**The Ontic** has provided original score, songs, and production music to numerous television networks including **NBC, ABC, CBS, FOX, HBO, USA, TNT, Discovery, ESPN, GSN, The History Channel**, and to countless companies including **Bunim-Murray, Studio Lambert, Lionsgate, Magnolia Pictures, Imagine Entertainment, Cisco** and **IBM**. They have also written and produced an extensive catalogue of pop and rock songs, which have been featured on primetime shows such as ***The Resident, The Conners, Vampire Diaries, Scrubs, Dawson's Creek,*** and ***Dallas***.

Other credits include the critically acclaimed documentary feature, ***Jiro Dreams of Sushi***, tv series ***The Moment (USA)***, and ***The Alliance of American Football (CBS)***, to name a few.
